Est. of Antone Rodriguez by tr to

Thurston, C. F. Chillingworth being absent at Ewa.

Upon the request of all of the clubs in the league, J. M. Dowsett was chosen to fill the vacancy made by the death of W. F. Allen.

An answer to the query made of the Rapid Transit Co. as to whether they would sell the baseball grounds or not and upon what terms, was heard. The Rapid Transit Co. stated that they wished to do whatever was best for the game, but they thought that they should retain the ground for if the title went to a third party baseball might lose its home. The trustees took no action in the matter.

It was suggested that the gate receipts be divided allowing the clubs 75 per cent and the trustees 25 per cent. This was changed so that the division would be 70 per cent to the clubs and 30 per cent to the trustees. This will permit some improvements to the grounds and be the means of accumulating a small reserve fund for use in case of an emergency.

MAY HAVE BOAT RACE.

There is some talk of a boat race between the crews of the cableship Restorer and the U. S. R. C. Manning. The matter was proposed by an officer of the cableship and it is thought that the blue jackets will not be averse to it.
